

AccuBind^{Pro}™

Binding System

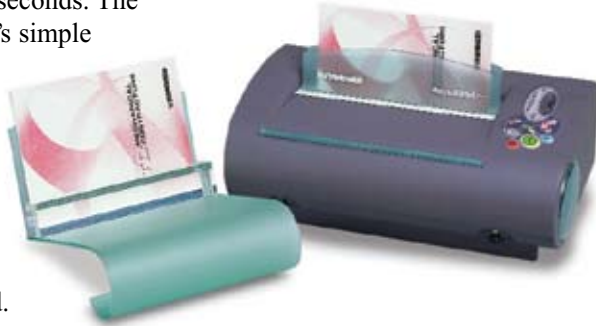

The AccuBind^{Pro}™ Document Binding System from Standard is the ideal desktop binding system for creating professionally bound documents. Superior quality thermal-bound documents are produced simply, quickly, and economically. Finished documents are flexible, lie flat when opened, colorful and have a bind that will last for years. No punching or drilling needed, the AccuBind^{Pro}'s attractive woven linen thermal binding strips do it all.

- *Simple operation*
- *Automatic tape insertion*
- *Professional results*

AccuBind^{Pro}™

The AccuBind^{Pro}™ Document Binding System from Standard provides the ideal solution for all types of binding applications, including sales and marketing publications, annual reports, proposals, manuals, presentations and more. With a push of a button a document up to 1 1/4" in thickness can be securely and professionally bound in 20 seconds. The

AccuBind^{Pro}'s simple and efficient operation utilizes a superior quality linen binding strip to create a superior bind.

Professional Strength and Appearance

The bind is an important finishing touch to any document. The AccuBind^{Pro}'s advanced woven linen binding strips provide an outstanding bind that enhances a document's professional appearance, effectiveness, and value. Furthermore, the innovative linen binding strip adds a sophisticated natural flexibility to the document. The result is an exceptionally strong, durable, and attractive bind, making the AccuBind^{Pro}™ a superior binding solution.

Creative Binding

Virtually any covers you create or purchase can easily be used to customize your document while also selecting a complimentary color binding strip from one of the eleven AccuBind strip color choices.

Simple Operation

Simple push-button operation binds from 5 to 325 sheets, at speeds up to 200 binds per hour. Compared to mechanical binding methods, the AccuBind^{Pro}™ saves you from the additional labor time required to perform sheet punching and insertion. The AccuBind^{Pro}'s intuitive operation makes it easy for anyone to become proficient with minimal training. With the Standard AccuBind^{Pro}™, it's easy to speed up your binding process!

Reliable Operation

An extremely durable design and superior quality construction provides years of reliable operation.

Local Dealer:

Automatic Feed

The control panel automatically indicates the correct strip width to insert. Simply insert an AccuBind binding strip and the strip will be accurately aligned and centered on the spine of each book automatically. It's that simple!

Professional Results

Create a professional image with every document. A slim, quality appearance, and tight square spine gives each book that perfect finishing touch. Books bound on the AccuBind^{Pro}™ are easy to insert for mailing and storage.
